Customer IP Address Justification Form

Pc Care Airway Infratel Pvt Ltd. (Brand Name “**Airway Broadband**”) provides Wireless and Wire line & Optical Fiber Internet connectivity to its customers across Gwalior City. Any customer using the Airway network for accessing the Internet are allocated IP addresses in the public IP address space allocated to Airway by APNIC (Asia Pacific Network information Centre). APNIC is the organization responsible for managing and authorizing allocation of IP addresses in the Asia Pacific region including India.

All the IP addresses allocated by Airway to its customers have to be justified to APNIC. By default Airway allocates a /29 IP address block (8 IP addresses), which will support typical requirements for most customers (e.g. DNS server, Mail server, Web server, and 100 workstations).

Airway is required to justify IP address assignment to APNIC to ensure adherence to policies and guidelines set by APNIC for responsible use of IP address space. Airway or any other access service provider does not own IP addresses. They are allocated / assigned to customers based upon documented justification. Airway will make necessary allocations within 7 business days of the completed justification form reaching us.

Please fill out the necessary details in the justification form below.
